

MiddleGround Application Team
Sprint 3 Report
05/19/21

Went Well	Could've Gone Better	Action Items
<ul style="list-style-type: none">- Helping others out after finishing sprint tasks assigned to us- PR reviews were more evenly distributed	<ul style="list-style-type: none">- Unit testing was bit lacking- Acceptance Criteria Clarification- Dependency Identification in sprint planning- More detailed tasks	<ul style="list-style-type: none">- Create tests on endpoints and functions- More thought out on blockers in standup- Document specs on story cards from sprint planning/post standup updates

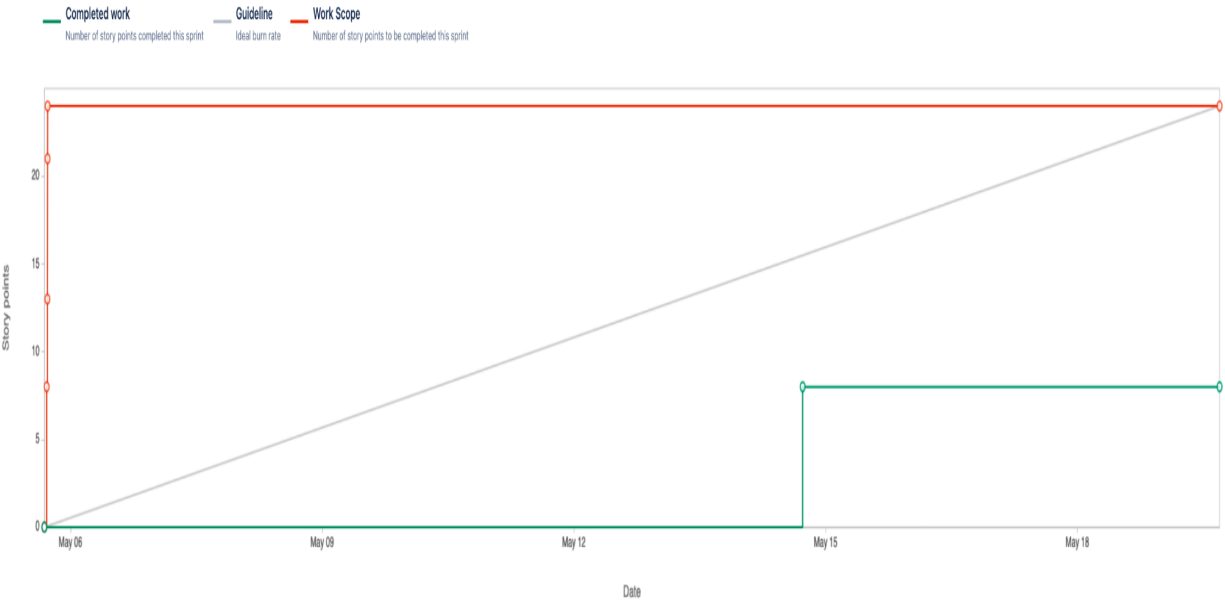

Work Completed:

- Create and Connect Comment Section Component

Work not Completed:

- Vue Session / Login Security Functionality
- Connect backend to frontend components
- Deploy Production Server

Date - May 5, 2021 - May 19, 2021
